

Send a message of hope to the
Tikva children and communities
in Romania and Odessa

Spread
some light
this Chanukah

Thank you for your ongoing support of Tikva.

Over the past nine months you have helped us through the hardest time in our history. Your support has enabled us to keep our community together as we have navigated through challenges we could never have imagined.

Thank you for continuing to provide us with security, clothing, medication, food and for reopening our schools. You have given us the opportunity to live in safety, to continue learning, to celebrate Jewish holidays and to feel a sense of normalcy during this most turbulent time.

You have spread your light onto us, and we are so grateful.

Wishing you a Happy Chanukah.

With best wishes

from the Tikva children and entire Tikva community

**Please write (or draw!)
your own message of hope back to our
Tikva children and communities this Chanukah**
We will send your message on to Romania and Odessa
